What is more, despite the 10% to 15% depreciation of the Aussie Dollar last year, we are offering our **2015 tours at 2013 prices**. But the 2015 prices will be reviewed in July 2014, which may result in price rises. So, to avoid any

ISTANBUL IS NUMBER 1.....

IT'S OFFICIAL!!! ISTANBUL is the Number 1 city, at least, according to an article in the *Sydney Morning Herald (SMH)*. The article which appeared in the online addition on Thursday 23 April, states that Istanbul is the Number 1 city to visit in 2014. Its number 1 status is based on many factors including:

- Its location on the Bosphorus.
- More than 2000 years of tumultuous history
- Breathtaking architecture dating back 2000 years,
- Easygoing and relaxed lifestyle,
- Varied and wonderful cuisine.

Some of our readers would have already seen this article as we emailed it to those with an email address. If you missed it, you can read it by clicking this link.

<http://www.smh.com.au/travel/number-one-why-this-is-the-top-city-to-visit-in-2014-20140416-36quz.html>. For those who receive the print version of the newsletter, it is attached to this issue as an 'Insert'.

If you are planning a trip to Turkey, then make sure you contact us. You could do one of our organised small group tours or we can arrange a tailor made trip to suit your needs.

BEST OF RUSSIA TOUR (13 Days / 12 Nights)

Russia has a very colourful and rich history. Its cultural heritage is second to none. So, no serious traveller can afford not to include Russia in a list of 'must see' places.

The tour starts in the Black Sea resort town of **Yalta** in **Crimea**. The main attraction in Yalta is, of course, the famous **Livadia Palace** where the Yalta Conference between the "**BIG Three**" wartime leaders was held in February 1945. We also visit **Sevastopol**, the historical home of the Soviet Black Sea fleet, and the Balaclava Valley, the site of the 'Charge of the Light Brigade'.

We then travel to **Moscow** where you can see the fabled sites of **The Red Square**, **St Basil's Cathedral** and **The Kremlin**. We also take a cruise on Moscow River and explore the famous Moscow Metro.

After Moscow, we travel to **St Petersburg**, the 'Venice of the North'. Built on what was once a swampland, the city defies imagination. St Petersburg is a dynamic, modern city combining its unequalled architectural and cultural heritage with modern business and ritzy restaurant café culture. St Petersburg and the surrounding area are so rich in awe-inspiring sites that a week would not be enough to see them all.

During the tour we will see the world famous **Hermitage Museum**, the magnificent **St Isaac's Cathedral** and many other sites. The tour also includes excursions to the dazzling **Peterhof** and **Catherine** Palaces and a canal cruise to marvel the city's unique architecture from a different perspective.

Azerbaijan is an enigma; it is an incredible tangle of contradictions and contrasts. The nation's cosmopolitan capital **Baku** is a dynamic boomtown where flashy limousines and mushrooming skyscrapers sweep around a picturesque World Heritage listed old city. Yet only a few hours' drive away in the foothills of the soaring high Caucasus mountains lies an entirely different world of timeless villages.

In Baku, we visit historic caravanserais, mosques, the palace of the **Shirvanshahs**, a carpet museum and the walled medieval city (See photo). We take an excursion to the **Absheron Peninsula**, visiting the **Zoroastrian Fire Temple** and **Yanardagh** (Burning Mountain) and **Gobustan** with its ancient petroglyphs.

In the Caucasus Mountains, we see the **Juma Mosque**; **Yeddi Gumbez**, the oldest church in the Caucasus dating from the first century; the Royal Summer Palace of the **Sheki Khans** with its magnificent frescoes and stained glass and **Sheki Museum and Fortress**. We stay in a beautifully restored Caravansary Hotel.

WHAT OTHERS SAY FEEDBACK FROM CLIENTS.....

Ozturk Boutique Tours have been running tours to Turkey since 2001 and other countries since 2006. Many people have experienced the magic of touring with us during this time. Because they find our tours truly fascinating, they write cards, emails and letters to express their appreciation. Below is a selection of feedback from some of our recent fellow travellers.

Dear Hamit

Thank you so much for a terrific trip - really enjoyed it very much. And, will recommend Ozturk Tours to all! I think the trip had great variety - from the archaeological to the geological and lots of interesting cultural and artistic matters in between. A really good balance and I also enjoyed the range of accommodation. I think we were also lucky in having a really good and friendly group.

Thanks again and will send photos whenever I get organised.

With very best wishes

Ronnie NSW September 2012

6th Century Byzantine water cistern in Istanbul.

Dear Hamit,

I apologise for not getting in touch with you sooner to say thank you for what was a really great and memorable tour of Turkey. It really was a wonderful trip and a great holiday.

You have put together a fascinating tour covering so much in a relatively short time. I could easily have had another week. The hotels, meals, places we visited reflected your careful planning. We were lucky to be part of such a pleasant, easy going and adaptable group of friendly people also. Thank you for your help with small things and your attention to all our needs.

Thank you very much.

Janet NSW September 2012

Hi Hamit,

It was a wonderful trip thanks to your very personal tour-leadership. For us it felt like we'd been invited by a friend and his lovely wife to join a group on a trip to show us his homeland - of which he was justly proud. We were all lucky to have Olga's companionship and the excellent camaraderie of such a good group of fellow-travellers. We enjoyed the terrific variety of accommodations and, (probably a little too much) the great cuisine in the many

interesting restaurants you took us to. For someone like me with a keen interest in history it was also a real treat to travel through that 'cradle of civilisation' with someone like Damla who so expertly provided the historical narrative. Thank you for a store of really good memories and also for the photographs. Regards

Bob and Marlene NSW September 2012

Hi Hamit

Thank you so much for the photos. Was pleased to read you and Olga enjoyed your tour (of Italy) seeing how the other half travel!! I'm absolutely certain Ozturk Tours are MUCH better – it was a great trip Hamit. We saw so much, learnt so much, (ate so much), stayed in some truly picturesque beautiful towns – and we had lovely people to travel with. Damla was a wonderful guide, so knowledgeable. Thanks again Hamit and I would recommend your tour to anyone who wants to see Turkey.

Kind regards

Chris NSW September 2012

Hi Hamit

..... the whole tour - better than I imagined it could be even though Lance had raved about it and then went on both the Black Sea and Eastern Turkey trips.

Playing the videos for us before Gallipoli and Ankara was a perfect way to introduce us to the significance of what we were about to see. The discussion of the contemporary scene in Turkey that you and Damla had was fascinating too. All in all I can't imagine how those 17 days in Turkey could have been better spent.

So once again thank you for putting on such a fine, I was going to write "holiday", which it was, but the word doesn't do justice to such a whole rounded experience.

Peter NSW September 2012

Hi Hamit,

Thank you so much for the photos. I have taken a lot of scenery but not very many of people so was great to have your photos to add to mine.

We enjoyed the rest of our holiday very much and arrived home safely last week.

We will certainly be looking at your tours for the future and recommending the tour we did to others.

Cheers

Dawn Bridges NSW May 2012

Hi Hamit

Thanks for two great tours which lived up to my expectations entirely. Several unexpected bonuses added to my list of enjoyable memories. The large numbers of beautiful Russian ladies were a delight to the eye. The opening night at the opera in Odessa was nothing less than fantastic and will never fade from my memory.

The Ukraine was special in its independence but close connection to Russia. My special Ukraine memory (apart from the opera) was to see the Light Brigade's 'Valley of Death' at Balaclava.

Barry NSW July 2011.
